# ABOUT US

Blackbird Letterpress is a women-run printmaking studio in Baton Rouge, Louisiana. Founded in 2003, we blend traditional and contemporary practices and technology with strong design and craftsmanship. From animal shaped gift cards and handmade notebooks to volvelles and perpetual calendars, we make a wide range of letterpress printed products to delight and inspire. In the printshop, we use recycled and tree-free materials, citrus-based solvents and low VOC inks—making a small footprint with a bold impact. We look forward to working with you! *Write to someone special, craft dreams and plans, keep in touch, save the world.*

**PAYMENT:** We accept major credit cards or check. Payment is due upon shipping.

**SHIPPING:** All orders are shipped via UPS Ground or USPS unless otherwise requested. US shipping costs: orders up to \$200=\$13, \$200-\$400=\$15, over \$400=\$20, depending on type of order. International orders pay actual shipping. All customs fees due are responsibility of buyer.

**RETURNS:** Only defective goods can be returned, within 5 days of receipt.

**PLEASE NOTE:** Because all Blackbird Letterpress goods are printed by hand, products may vary slightly. The impression you see in our paper goods will vary depending on the paper and type of relief image we use. A linocut leaves less impression than a photopolymer plate, for example. While we enjoy the texture that debossing creates, we will not exceed the ability of our press or compromise our type or print blocks to make a deeper impression than good printing demands. In everything we print, we strive to maintain high quality and strong design.

**ECO COMMITMENT:** We are committed to decreasing our footprint on the planet. We use low VOC inks, citrus solvents for clean-up, and recycled and tree-free, non-chlorine bleached papers.
